

DOCUMENTATION OF INFORMAL MID-SEMESTER EVALUATION  
2006-2007

Mid-semester informal evaluation should include:

- Review of intern's self-assessment and goals
- Review of formal evaluation domains and program expectations
  - Initial Assessment, Diagnosis, Conceptualization and Treatment Planning
  - Individual Psychotherapeutic Intervention Skills
  - Group Counseling Skills
  - Formal Assessment / Testing
  - Individual and Cultural Diversity
  - Scholarly Inquiry / Research
  - Supervision of Trainees
  - Consultation and Outreach
  - Professional Conduct, Ethics & Responsibilities
- Assessment of performance as determined by contact in supervision, observation of sessions, review of records, and feedback from staff

- I have received informal feedback on progress toward training goals
- My supervisors have reviewed formal evaluation criteria with me
- If any areas requiring remediation were identified, a remedial plan was developed (attach plan)
